Retirement News!

Marie Larder our Nurse Practitioner has now retired. Marie has been a long-standing member of Ecclesfield Group Practice since 1989!

The dedication and commitment Marie has demonstrated through the years has been exceptional.

Marie has looked after our patients, in particular our diabetic patients, year on year and has been at the forefront of keeping these patients well and on track for managing their long-term conditions.

We wish Marie the best of luck in her retirement, she truly deserves it even though we will miss her at the practice. We hope you will all join us in wishing Marie the best for her future.
